

Dear

My name's Frog. I live in a pond just a hop and a skip from your home. Grownups don't seem to like frogs very much so I'm looking for a child pen pal. Are you game?

My favourite colour is green. It's all I wear! And I can jump really far.

What's your favourite colour? And what are you good at?

Hope to hear from you soon,

Warm ribbits,

Frog

Hi

Thanks for writing back to me! A very mean dragonfly said you wouldn't write back but you proved her wrong. Ha!

You sound very talented. Are you good at drawing? I've drawn my house below. What does your house look like?

Frog

Hey hey

Wow, your house looks like a castle! You're so lucky.

I love your picture. I've stuck it to my favourite rock. The goldfish here are raving about your drawing skills (every few seconds!).

My favourite food is flies. When I grow up I want to be a lifeguard. What about you?

I'm going on vacation tomorrow (woo! croak!) to a lovely swamp resort. Hopefully we can write more when I get back.

Your friend,

Frog
