

The AARlympics

Here be the events that separate the swashbucklers from the landlubbers. Be ye pirate enough?

Pin the Jolly Roger to the Mast

Grownups - tape a pirate ship to the wall.

Pirates - cover both eyes with patches (hands) and try and pin the Jolly Roger to the top of the mast.

Hide Yer Booty

Pirates - you have 20 seconds to hide a treasure (anything you like).

Grownups - you have two minutes to find it. No peeking! (And no shovels on the carpet).

10 Leagues Peg Leg

It's a pirate drill! You hear cannon fire and there's no time to put on your peg leg.

Grownups - mark out a safe course in the home or back yard.

Pirates - hop on one leg (you're peg legless) and see who can reach their cannon first.

The **AAAR**lympics

Colour this medal doubloon gold. Pirates don't do bronze or silver.
