

## Drum like a Lobster

Never hold back. Live to  
your own drum beat.  
Like a bongo-playing  
Lobster!

## Soar like an Eagle

Take time to notice  
things. Soar like an Eagle  
and watch the world  
below. But don't eat any  
worms.

## Play like a Monkey

Go and be curious.  
Have fun like you've won  
all the bananas.  
But save room for lunch.

## Leap like a Frog

You can do anything  
you put your mind to.  
Leap like a Frog!  
Unless you're crossing  
the road. Safety first.

## Roar like a Lion

Feeling scared means  
you're about to be brave.  
Have courage.  
But first have your lunch.
